

Tableau Software, LLC
Tableau Cloud Extended Support Policy

I. Overview.

This Tableau Cloud Extended Support Policy ("**Extended Support Policy**") describes the policies and procedures under which Tableau Software, LLC, or its applicable affiliate ("**Tableau**"), provides extended support services ("**Extended Support**") for its proprietary hosted service Tableau Cloud ("**Tableau Cloud**") to its customers (each, a "**Customer**").

Extended Support is subject to the terms and conditions of the Agreement, the terms of the [Tableau Cloud Technical Support Policy \(the "Support Policy"\)](#), and the terms of this Extended Support Policy. Extended Support is provided for the term specified in the Ordering Document. All undefined capitalized terms used herein shall have the same meaning as set forth in the Support Policy and the Agreement.

Extended Support is provided through Tableau's supported channels as indicated on Annex A to this Extended Support Policy (the "**Supported Channels**").

II. Eligibility.

A Customer is eligible for Extended Support if it has purchased the Extended Support service and are current Technical Support customers in accordance with the Support Policy. Extended Support services shall not apply to the Customer's affiliates or subsidiaries who have purchased their own subscription to Tableau Cloud under a separate agreement, unless the parties agree otherwise in writing.

III. Designated Contacts

"Designated Contacts" are Users Customer identifies as primary liaisons between Customer and Tableau for technical support. Customer shall identify and maintain at least one (1) Designated Contact. Customer shall notify Tableau whenever Designated Contact responsibilities are transferred to another User. Customer's Designated Contacts shall be responsible for: 1. overseeing Customer's support case activity, 2. developing and deploying troubleshooting processes within Customer's organization, and 3. resolving password reset, username and lockout issues for Customer. Customer shall ensure that Designated Contacts are A. knowledgeable about the applicable Services in order to help resolve, and to assist Tableau in analyzing and resolving technical issues, and B. have a basic understanding of any problem that is the subject of a case, and the ability to reproduce the problem in order to assist Tableau in diagnosing and triaging it.

IV. Scope of Extended Support.

In addition to the Technical Support services outlined in the Support Policy, Extended Support includes the following additional offerings.

A High Severity Incident Response and Emergency Response: Incidents reported by a User Contact covered under Extended Support are given precedence over other Incidents of the same age and severity reported by other customers under the Technical Support services outlined in the Support Policy.

B High Severity Incident Response: Outside of Business Hours, only User Contacts may submit Severity Level 1 Incidents via Supported Channels as outlined on Annex A to this Extended Support Policy.

V. Policy Details.

Important details of this Extended Support Policy are set forth on Annex A including the business hours during which Tableau provides Extended Support ("**Business Hours**"), target response times for Incidents, and other details.
