Guest Parking

After you take a right on Northlake Way, take the next immediate right. There is a U-park lot just outside of the building and they have daily and hourly rates available.

The building main entrance is on N 34th Street, so walk up the stairs located next to the parking lot or take the elevator to our main reception desk on the 2nd floor.

Parking in the garage is primarily for **short term** parking (less than 3 hours). Bring your ticket to the front desk for validation.

If you are unable to find parking right next to the building, there are paid U-Park lots that are available along Northlake Way (next to Lake Washington Rowing Club and also under the Fremont Bridge). For reimbursement, please go to the 2nd floor reception desk and one of our Office Coordinators will be able to reimburse you.
