5. How to Win: Each Submission’s score will be determined by the following two components:

A. Judges’ Score. At the end of the Term, a panel of four judges selected at Sponsor’s discretion (“Panel”) will evaluate and score each eligible Submission in each of the following judging categories (“Judging Categories”):

1) Submission’s analysis of the Data Set(s);
2) Design of Submission; and
3) Storytelling of Submission (note: does not have to use the StoryPoints Tableau feature).

Each Judging Category is worth a maximum score of 10 points. The Panel will then add up the score received in each Judging Category for each Submission to determine its total “Judge’s Score.” The maximum Judge’s Score that may be awarded to a Submission is 30
points.

B. **Digital Audience Score.** From 12:00 p.m. PT until 12:05 p.m. PT on October 7, 2020, digital audience voters will evaluate the Submissions pursuant to the Judging Categories and vote for a winner as instructed by Sponsor during the Tableau Conference. (Each voter may only submit one vote in the Contest, duplicate votes for an Entrant by a single voter will be disqualified). At 12:35 p.m. PT on October 7, 2020 Sponsor will calculate the total number of digital audience votes received for each Submission in the Contest ("Total Audience Votes"). Sponsor will then award extra points (the "Audience Score") based on the volume of votes each Submission received. The Submission with the most votes will receive 5 extra points; the Submission receiving the second most votes will receive 3 extra points; and the Submission with the least votes will receive 2 extra points.

Any fraudulent, unfair, or deceitful behaviour related to the voting or the Contest, including directly or indirectly offering any person financial or other incentive for votes, creating multiple accounts, or using bots and similar electronic tools, is prohibited and will result in disqualification.

At or around 12:36 p.m. PT on October 7, 2020, the Panel will add each Submission’s Audience Score to its Judge’s Score to determine its “Total Score.” Then, the Submission that receives the highest Total Score will be selected and announced as the “First Place Winner,” the Submission that receives the second highest Total Score will be selected and announced as the “Second Place Winner,” and the Submission that receives the third highest Total Score will be selected and announced as the “Third Place Winner.” In the unlikely event of a tie, the Submission that received the higher score from the Panel in the Judging Category of “Submission’s analysis of the Data Set” will be selected as the winner. If these scores are identical, the Submission that received the higher score from the Panel in the Judging Category of “Design of Submission” will be selected as the winner. If these scores are identical, the Submission that received the higher score from the Panel in the Judging Category of “Storytelling of Submission” will be selected as the winner.

The Panel’s decisions are final with respect to all aspects of the Contest’s judging, including as to the calculation of Audience Scores. Sponsor and its parent, affiliates, subsidiaries, employees, agents, officers and directors, advertising and Contest agencies, and their respective officers, directors, employees and their respective agents will not be liable for unsuccessful efforts to notify a winner. To the fullest extent permitted by applicable law, Sponsor may require each potential winner to sign and return, within three days of being notified, an Affidavit of Eligibility and Liability/Publicity Release in order to claim his/her prize. If (i) potential winner cannot be contacted within three days; (ii) any required documents are not returned within seven days, such as the Affidavit of Eligibility and Liability/Publicity Release; or (iii) if potential winner fails to abide by the Official Rules, is determined ineligible, or is otherwise unable to accept the prize as stated, the prize will be forfeited and will be awarded to an alternate winner in accordance with the Judging process. If, by reason of a print or other error, more prizes are claimed than the number set forth in these Official Rules, the prizes will be awarded to the person with the Submission that receives the highest Total Score from among all eligible claimants making purportedly valid claims to award the prizes available.

**Verification of Potential Winner:** EACH POTENTIAL WINNER IS SUBJECT TO VERIFICATION BY SPONSOR, WHOSE DECISIONS ARE FINAL AND BINDING IN ALL MATTERS RELATED TO THE CONTEST. AN ENTRANT IS NOT A PRIZE WINNER UNLESS AND UNTIL ENTRANT’S ELIGIBILITY HAS BEEN VERIFIED AND ENTRANT HAS BEEN NOTIFIED THAT VERIFICATION IS COMPLETE AND NO FURTHER ACTION IS NEEDED.
