

Trust visibility & governance for self-service analytics at scale

Reference Resources

Welcome!

Thank you for taking the time to attend our session. Sharing some resources for you to take your evaluation forward.

Useful Resources:

- Explore Tableau Prep:
 - [Download Tableau Prep](#)
 - [Check out the Prep Test Drive!](#)
- Take [an interactive demo](#) for the server UI
- A few additional technical resources:
 - [Configuring Prep Conductor](#)
 - [Using R or Python in your scripts](#)
 - [Other data manipulation operations within Tableau Prep](#)
 - [Extending Tableau's Catalog using the Metadata API](#)
