The screenshot shows the Tableau website's navigation and learning resources. The 'Learning' menu item is highlighted with a red box. Below it, three main learning options are presented: 'Free Training Videos' (also highlighted with a red box), 'eLearning', and 'Classroom Training'. Each option includes a brief description and a 'LEARN MORE' link with a right-pointing arrow. On the right side, a 'MORE WAYS TO LEARN' section lists 'Live Training', 'Whitepapers', and 'On-Demand Webinars', each with a right-pointing arrow icon.
